For your convenience, here are the details of some of the above options:

#### **BPI CHECKING ACCOUNT**

#### **BDO SAVINGS ACCOUNT**

#### **Our Recommendation: Pay via BDO Bank Deposit**

TIP: When making a deposit in BDO, please request the Teller to type in your name in the Description, so that when they print out the deposit slip, your name will appear there.

**Please take a photo of your BDO deposit slip and save the image to your hard disk,** because the Ignition Marketing finance team will use that image when verifying your payment.

Here's an example of a BDO Deposit Slip (NOTE: Please see IM website for the bank info):

**Please take note of the following:**

- Before giving the money, I asked the BDO Teller to put my name in the Description. That's why you can see in the above image the part where it says CD/MANNY VILORIA.
- If ever the Ignition Marketing Finance Team views their BDO bank account balance online, they'll easily find the transaction which contains my name. This will help speed up the verification process.
- **TIP:** Request the Teller to type in **Your Own Name** (not Manny Viloría) in the Description.
- In the above image, the BDO Reference Number is: 211N49550446
- I deposited first, and then logged back in again into Ignition Marketing to complete the E-Wallet Funding process.

**How much should we deposit to the BDO bank account of Ignition Marketing Co.?**

We deposited P3,000 because it's easier to bring P3,000 rather than P2,999 to the bank. But the following day (before the August 27, 2014 launch of Ignition Marketing), we made another deposit for P1,500.

We went for both the **Online Prosperity Training (OPT)** package and the **Elite Inner Circle Membership right from the start**, because we wanted access to the weekly webinars available exclusively to the Elite Inner Circle members of Ignition Marketing.

In fact, we created the **Team AKMB Diamond private group in Facebook**, where we post our Ignition Marketing Webinar Notes and Insights.

That premium info is **exclusively available** when you get the Ignition Marketing OPT program via <http://ignitionmarketing.com-review.org/> and when maintain your standing as a Full and Active Elite Inner Circle member.

This is one of the benefits you get for being part of Team AKMB Diamond.
